

Organization 2 – Add Organization

The following preconditions must be met:

1. Successful log into MOHSAIC SURVWEB application.

Business Rules

1. At any time when the system is preparing to display or saving information, the system may show a “Building ... page...” or “Please wait...” message in the right section.
2. Users may add and edit information before it is added to the database, but cannot update after the person records have been saved. Some items may only be removed.
3. QA and Admin users may add and edit information before and after the person records have been saved. Some items may only be removed.
4. Error messages are shown in red above the section of the screen.
5. At any time when you click **Cancel** at bottom of screen, the screen is reloaded.

Procedure 1: Click on Organization

WEBSURV TEST

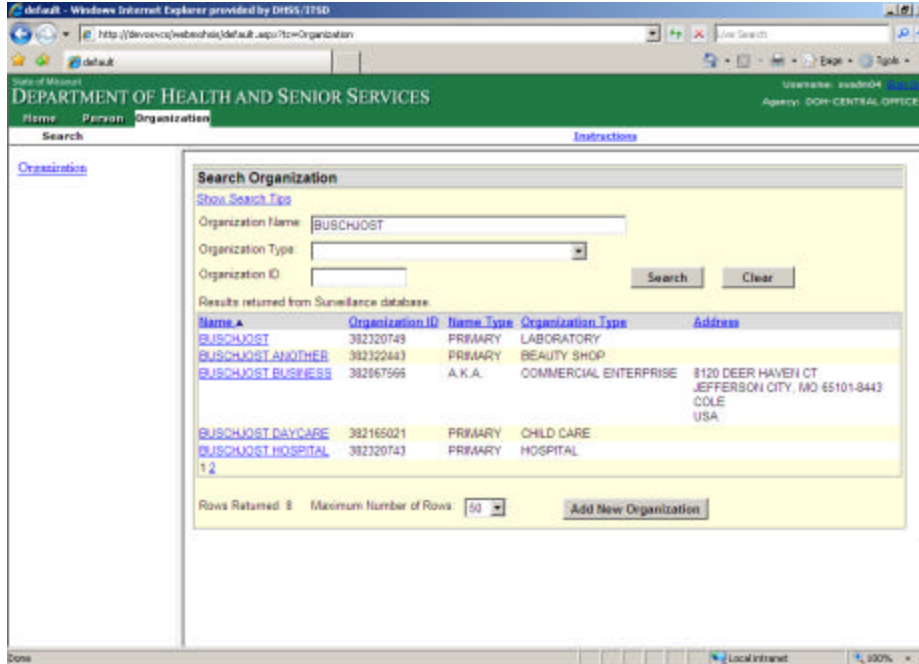

Expected System Response: The Search Organization Screen is returned.

The screenshot shows a web browser window titled "default - Windows Internet Explorer provided by DHSS/ITSD". The address bar displays "http://devs001/webmchss/default.aspx?to=Organization". The page header includes "State of Missouri" and "DEPARTMENT OF HEALTH AND SENIOR SERVICES". The navigation menu has "Home", "Person", and "Organization" tabs, with "Organization" being the active tab. The main content area is titled "Search Organization" and contains a search form with the following fields: "Organization Name" (text input), "Organization Type" (dropdown menu), and "Organization ID" (text input). There are "Search" and "Clear" buttons to the right of the input fields. Below the input fields, there is a "Rows Returned:" label and a "Maximum Number of Rows:" dropdown menu set to "50". The page also includes a "Show Search Tips" link and an "Instructions" link. The status bar at the bottom shows "Done" and "Local intranet".

Procedure 2: Enter Search Criteria and click Search.

Expected System Response: Search Results are returned.
